Attendees arriving in Oregon may choose to rent a car at Portland Int'l
Airport and drive to our factory at the Oregon coast.
It is approximately 90 miles. (Directions attached)

An Alternative is to fly from Portland Int'l Airport to the Oregon Coast
via Seaport Airlines, approximately 35 minutes.
There is shuttle service from PDX to Seaport's Terminal.
Seaport offers 3 flights daily to the Astoria Regional Airport.
For car rental at the Astoria Regional Airport call Hertz 503-325-7700.

Contact Seaport Airlines at:
